Meeting Date: 10/01/2015

Room : SU1532

Attendees: Krish, Sreejit, Niveditha, Pratima, Thihal, Ganesh, Pallavi, Dr.Varanasi. Vikash, Anuja

Discussion:

1. Introduction : Ganesh provided detailed introduction about Asha-Toledo chapter and their needs
2. Getting student involvement: We had three new volunteers. 1)Sreejit - He has very good insights on fundraising and is willing to take responsibility for fundraising for Asha-Toledo chapter. 2) Niveditha - She is currently working on updating/making new face book group and supporting Asha-Toledo through web based media. 3) Pratima - She wants to get involved with Asha - Toledo and willing to help in whatever way she can. Another prospective volunteer Dhathri was not able to join.
3. Niveditha is working on new face book account. Once we have enough details about WAH, she will update that info on web media.
4. Fundraising - a) Sreejit suggested that they will get Navratri celebration tickets to sell and during sell they will be asking for one dollar donation to Asha. b) Vikash asked to come up with ideas to promote WAH. Waiting on suggestions.

I had to end my meeting at this point. Here is a request to other attendees - if there was any plan made after I left please feel free to append it.

Best Regards,

Anuja.
